

Privacy Policy

I believe in respecting clients and contacts privacy. I take your privacy on www.sfbusinessservices.co.uk very seriously. This privacy and cookie policy lays out our specific commitments, in compliance with and beyond the General Data Protection Regulation.

This policy covers your personal information on this website. There are links on www.sfbusinessservices.co.uk to external sites beyond my control and I suggest that you always check the privacy policies of these sites before using them.

Your personal information

If you choose to complete the on-line form then personal information will be collected from you, also if you contact me with comments or specific requests. The personal information collected may be used to provide you with information you requested and/or for internal site administration only.

Your personal information will not be passed on to others without your consent.

Your personal information will only be used for the purposes clearly stated at the point at which you provide it.

Your personal information will be shared with agents or professional advisors where it is necessary to fulfil a valid, stated purpose, as above.

You have the right to ask me for a copy of all your personal information held - to make this request, please email info@sfbusinessservices.co.uk.

- No personal information will be provided to any third party, except of course in the unusual event I should be required to do so by law.
- By using any of the forms on this website, you implicitly agree to be bound by the privacy policy and legal disclaimer.
- Whilst all reasonable precautions are taken to protect any personal data, that users may input via this website I cannot be responsible for and therefore exclude all liability for loss or misuse of personal data which is intercepted or otherwise accessed by unauthorised persons.
- I comply with the General Data Protection Regulation and its requirements.
- You have the right to ask for a copy of your personal data and have the right to amend or delete the data.

Cookies and tracking

To improve the overall experience of visiting this website, a server-based log is used to collect general information about website visitors. This data is only used to generate statistical charts and will not be used in any other way.

Use of Cookies on this website

Cookies are small text files that are stored on your computer when you visit a website. They are mainly used as a way of improving the website functionalities or to provide more advanced statistical data.

Controlling Cookies

Your web browser (the software you use to access our website) should allow you to control the cookies that it stores on your computer. Please refer to the relevant supplier's website to find out more.

If you feel that this site is not following its stated information policy, you may [contact us](#) by phone, email or post.

Changes to this policy

Any changes to this policy will be posted on this website. Those changes will then apply to any future use by you of my website.
